

BI Name: _____
Practice Class: _____
Cube Date: _____

Create an Analysis Services Project.

Project name:

project_lastname

sales_griesmayer

Every table contains your last name!

Use the first character of your lastname:

first character	Code
A-C	Code_Airport
D-F	Code_Bar
G-I	Code_Catering
J-L	Code_Cinema
M-O	Code_Note
P-R	Code_OnlineOrder
S-U	Code_Share
V-Z	Code_University

Griesmayer => **G** => Code_Catering

Müller => **M** => Code_Note

Create the Analysis Services Project:

1. Load the data into the SQL Server
2. Create a cube
3. Browse the cube with Excel
